**VERY SUBSTANTIAL ACQUISITION
IN RELATION TO
THE YONGTAI PROJECT TRANSACTIONS**

Reference is made to the Company's announcements dated 15 September 2017 and 27 November 2017 (the "**Yongtai Project Announcements**") in relation to the Framework Agreement on the Yongtai Project, the acquisition of the Operation Right over the Operation Site and the Operation Right Agreement.

At the time of the entering into of the Framework Agreement, the acquisition of the Operation Right and the Operation Right Agreement, the Company was formerly of the view that they should constitute discloseable transactions under Chapter 14 of the Listing Rules, as the applicable percentage ratios as calculated by either the refundable deposit payable by the Group to Yongtai Government under the Framework Agreement in the amount of RMB50 million, or the consideration for the acquisition of the Operation Right under the Operation Right Agreement in the amount of RMB28 million, exceeded 5% but were less than 25%.

On 27 February 2018, the Company received a decision from the Stock Exchange (the “**Decision**”) that the Group’s acquisition of the Operation Right should be aggregated with the Supreme Glory Acquisition under Rules 14.22 and 14.23 of the Listing Rules, taking into account the following: (a) the transactions would together lead to substantial involvement by the Company in a new business which did not previously form part of the Company’s principal businesses; and (b) the two acquisitions were conducted by the Company within a short period of time of only about 7 months. According to the Decision, when aggregated with the Supreme Glory Acquisition, the acquisition of the Operation Right should constitute a very substantial acquisition for the Company under Chapter 14 of the Listing Rules, as certain applicable percentage ratios would have exceeded 100%.

Upon aggregation with the Supreme Glory Acquisition, the acquisition of the Operation Right under the Operation Right Agreement would have constituted a very substantial acquisition for the Company under Chapter 14 of the Listing Rules and shall be subject to reporting, circular and Shareholders’ approval requirements under the Listing Rules.

The Group’s participation in the Yongtai Project Transactions, including the Framework Agreement and the acquisition of the Operation Right, will be proposed at the EGM for Shareholders’ consideration, approval and ratification. As no Shareholder has a material interest in the Yongtai Project Transactions, no Shareholder is required to abstain from voting at the EGM in respect of the resolution relating to the Yongtai Project Transactions.

A circular containing, among other things, (i) further details of the Yongtai Project Transactions; (ii) a notice of EGM; and (iii) other information as required under the Listing Rules, is expected to be dispatched to the Shareholders on 27 March 2018.
